

VIVOTEK

VIDEO INTEGRATION

Immerse yourself in the collaborative synergy of IMRON Corporation and VIVOTEK, as we unite to offer a seamless integration experience encompassing access control, intrusion detection, visitor management, and video management through UnityIS®.

Features:

- Plot Cameras on Graphic Maps
- View Live/Recorded Video
- Execute Video Call-up on any Event
- Link Cameras to other Devices
- Control Devices Linked to Cameras
- Auto Populate from VIVOTEK VAST2/VSS
- Customize Live Video Matrix View
- Camera Search Feature
- View Video from Alarms and Events
- Works from any Internet Connected Device

Benefits:

- One interface for Access Control, Intrusion, Visitor Management, and Video
- Disparate systems can now work together
- Save time when searching for incidents

OUR STORY

Founded in 1997, IMRON Corporation is an elite provider of Security Management and Access Control solutions across a variety of verticals. Our flagship product, UnityIS® can be deployed on-premises or in the cloud.

OUR VISION

We are committed to leveraging our expertise to contribute to the greater public good. Through our innovative solutions, we aim to empower individuals, protect businesses, and fortify the very fabric of our interconnected world.

OUR MISSION

Our mission is rooted in the values of integrity, innovation, and social consciousness. We believe that by upholding these principles, we can create a lasting impact that extends beyond the realms of business.
