

UnityIS® supports multiple brands of access control hardware directly without the need for additional hardware. Customers can save money by not having to rip and replace their system. Legacy sites can seamlessly expand with newer hardware, and manage everything from UnityIS®.

OUR STORY

Founded in 1997, IMRON Corporation is an elite provider of Security Management and Access Control solutions across a variety of verticals. Our flagship product, UnityIS® can be deployed on-premises or in the cloud.

OUR VISION

We are committed to leveraging our expertise to contribute to the greater public good. Through our innovative solutions, we aim to empower individuals, protect businesses, and fortify the very fabric of our interconnected world.

OUR MISSION

Our mission is rooted in the values of integrity, innovation, and social consciousness. We believe that by upholding these principles, we can create a lasting impact that extends beyond the realms of business.
