

GUEST PASS

Guests can self-enroll and use their face, mobile credential, or QR code to gain access to pre-defined doors.

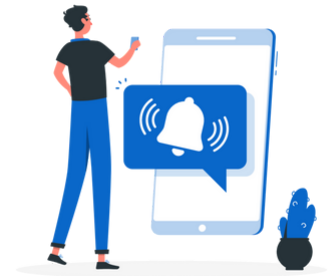

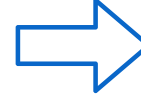

Setup

Admin pre-defines what doors a 'Visitor' profile has access to.

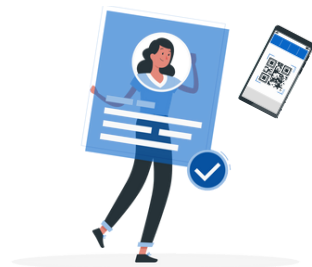

Self-Register

Upon arrival guests can self-enroll at designated kiosk(s).

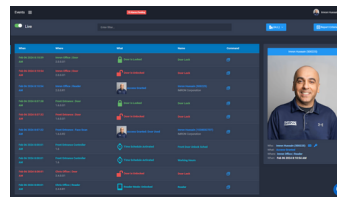

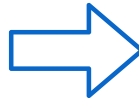

Notification

Admin gets notified when a guest arrives.

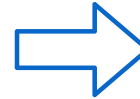

Access Granted

Guests can use their face, mobile credential, or QR Code to gain access to 'Visitor' areas.

Real-Time Events

Admin can track guest events in real-time and restrict access at any time.

Reports

Admin can run reports on where guests went throughout the day.

OUR STORY

Founded in 1997, IMRON Corporation is an elite provider of Security Management and Access Control solutions across a variety of verticals. Our flagship product, UnityIS® can be deployed on-premises or in the cloud.

OUR VISION

We are committed to leveraging our expertise to contribute to the greater public good. Through our innovative solutions, we aim to empower individuals, protect businesses, and fortify the very fabric of our interconnected world.

OUR MISSION

Our mission is rooted in the values of integrity, innovation, and social consciousness. We believe that by upholding these principles, we can create a lasting impact that extends beyond the realms of business.
