

IMRON Corporation and IronYun have united to offer a Video Intelligence Platform that uses AI-enabled video search and analytics for security, health, safety and operations.

Core Platform

Real-time alert dashboard, camera health, live view, VMS/NVR playback

Intrusion Detection

Virtual Fence with the built-in AI algorithms to recognize over 100 types of objects.

Object Left Behind

Designed for use in any place with low foot traffic to help locate objects that should not be there.

Weapon Detection

Accurately identify weapons in real-time and generate alerts when a gun enters the camera's field of view.

License Plate Recognition

Used to identify and analyze license plates from over 100 countries worldwide.

Vehicle Make and Model

Recognize over 200 makes and 2000 models allowing searches or auto alerts across multiple cameras.

People/Vehicle Counting

Count public access areas in real-time, such as airports, theme parks, entertainment venues, retail shops, banking, and corporate facilities.

Face Search/Recognition

Rapid search of a person in a video based on an input image of the person's face.

Social Health Analytics

Detect, report and alert on: Face mask, Distancing, Occupancy, Temperature

Fire and Smoke Detection

Instantly detect fires and/or smoke. No calibration is required.

Investigation and Search

Video analytics can exponentially accelerate forensic video search

Operations

Leverage video as a source of business intelligence data.

OUR STORY

Founded in 1997, IMRON Corporation is an elite provider of Security Management and Access Control solutions across a variety of verticals. Our flagship product, UnityIS® can be deployed on-premises or in the cloud.

OUR VISION

We are committed to leveraging our expertise to contribute to the greater public good. Through our innovative solutions, we aim to empower individuals, protect businesses, and fortify the very fabric of our interconnected world.

OUR MISSION

Our mission is rooted in the values of integrity, innovation, and social consciousness. We believe that by upholding these principles, we can create a lasting impact that extends beyond the realms of business.
